

zct::Timer

```
classDiagram
    class zct_TimerManager["zct::TimerManager"]
    class zct_Timer["zct::Timer"]
    zct_TimerManager --|> zct_Timer
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'zct::TimerManager'. Above it is a white box labeled 'zct::Timer'. A dashed purple arrow points from the 'zct::TimerManager' box up to the 'zct::Timer' box. To the right of the arrow, the text 'm_timers' is written in a light gray font.
